Encourage your Sunday School Classes, UMW, UMM, UMYF and other church groups to be part of making the world a better place for all of God's children!

The **Covenant Relationship Program** has enabled United Methodist congregations to surround mission personnel with love and prayer. At the same time, the program has allowed congregations to grow in understanding of the people, culture, traditions and religious life where the mission workers serve. Through financial and prayer support, your church can experience mission first hand. Here is a list of missionaries who host and/or are supported financially by our many PIM work teams and churches. Feel free to contact any listed here and begin the process of being a Covenant Partner.

This is a great idea for a VBS or Sunday School mission project. Youth groups have prepared the "Manna Bags" and then sold them to the congregation for just a little extra as a fund raiser for a mission project. This gives them even more opportunity to be in Missions!

Manna Made Manifest Bags

Buy or have your church group collect the following items. Each week a different item can be brought to church and placed in a donation basket. When everything is collected, have a "work day" where everyone places the items in each zip-lock gallon bag. As you encounter someone in need along the freeway, near your house or at work, smile and hand them a MANNA BAG.

- 1 gallon size Zip-lock bag
- 2 granola bars
- 1 toothbrush
- 1 small tube of toothpaste
- 1-2 packages of raisins or dried fruit
- 1-2 packages of Tuna with crackers
- 1 bottle of water
- 1 wash cloth
- Travel size—soap, shampoo and rinse
- Add an Upper Room or pocket Bible
- Invitation to your church!

Keep in your car ready for your first opportunity to help.

Sewing Projects

The following projects are requested around the world for people in need. Some will go with UMCOR and some with our mission teams. Make them and use them in your own community to help others.

Patterns available through our Sewing Ministry.

Baby gown or shirt—

Simple gowns for newborns which become shirts when only half the pattern is used. Colorful remnants can be used and the sewing is very easy. Ties in the back so no snaps or buttons. These are sent out by UMCOR to disaster areas.

Child's School Bag— This very simple pattern is used not only for our own Mission projects in Mexico to help children with school preparation, but are sent all over the world. The pattern is very basic and can be sewn in just minutes.

P.E.T.'s Adult Bag—This larger tote bag is needed by the physically challenged who have been given the PET cart for transportation. The large tote helps them carry supplies while they ride in their new vehicle. Again the pattern is very simple. Some heavy duty materials are available through the Sewing Ministry.

Other patterns available are:

Prayer Shawls
Environmentally Safe Grocery Bags
Bibs for Elder Care

Call Mollie Davis-Scott at 979-849-7647 for more information.
