

OUR VISION

Partners In Mission is to be the primary organization of the Texas Annual Conference (TAC) committed to sending short term volunteer mission teams to be in partnership with local, national and international Methodist churches, in response to God's call.

MISSION STATEMENT

Partners In Mission exists to educate, equip and support the people of the Texas Annual Conference in response to the *invitation* of local, national and international Methodist churches in partnership through hands on ministry.

OUR TASK

Our task is what we do with our abilities—from moving soil, laying bricks, mixing cement, painting, carpentry work, teaching Vacation Bible School to participating in medical missions. Our task should always be secondary to our purpose of sharing Christ's love in ways that make a Christian difference.
